Thank you for joining us this evening. As the audience, you are an important part of tonight's concert. The audience's responsibility at formal concerts is to honor the efforts of the performers by providing a listening atmosphere in which their performance can be appreciated by all. To that end, we ask your cooperation:

Students have been asked to stay still, stay quiet, and focus while on the stage. In order for us to provide the most positive concert experience for everyone, we ask that you please refrain from waving to your child or talking noisily during the concert.

You are encouraged to stay for the entire concert, but if you must leave, please do so between songs. If your child becomes upset during the concert, feel free to leave for a moment.

Last, but not least, please turn cell phones, pagers, and electronic devices off.
