

The Concordia Elementary School Parent/Teacher Organization (CES PTO) supports the educational mission of Concordia Elementary School (CES). There are many ways that CES parents can become involved in PTO:

- Serve on one of the committees: Fall Festival Steer Stand, Concessions, Carnival, Fundraising, Teacher Appreciation, Yearbook photography and Box Top Collection.
- Join the PTO Executive board. This would involve attending 6 meetings per year and fulfilling designated responsibilities including working as a group toward fundraising efforts.

Box Tops Fundraising:

This year, we are once again making an extra-fun Box tops for Education push! We've asked the teachers to come up with some exciting rewards for when we hit milestones in our box tops collection. Stay tuned for more information!

Tips for collecting box tops:

1. You can use the collection sheets that are sent home, or you can simply send them in an envelope or baggy. We have a collection jar in the lunch room!
2. We appreciate all the effort in clipping box tops. Please note that expired box tops, or box tops with the expiration date cut off, will not be accepted by Box Tops for Education
3. Box tops can be found on many grocery, household, and clothing products. You can even earn box tops when you shop online! Please see boxtops4education.com for details.
