FERPA Notice of Designation of Directory Information

The Concordia R-2 School District has designated certain information contained in the education records of its students as directory information for purposes of the Family Educational Rights and Privacy Act (FERPA).

The following information regarding students is considered directory information:

(1) name, (2) address, (3) telephone number, (4) date and place of birth, (5) major field of study, (6) participation in officially recognized activities and sports, (7) weight and height of members of athletic teams, (8) dates of attendance, (9) diplomas and awards received, (10) most recent previous school attended by the student, (11) videos of sports events and concerts, and (12) photograph.

Directory information may be disclosed by the Concordia R-2 School District for any purpose in its discretion without the consent of a parent of a student or an eligible student. Parents of students and eligible students have the right, however, to refuse to permit the designation of any or all of the above information as directory information. In that case, this information will not be disclosed except with the consent of a parent or student, or as otherwise allowed by FERPA.

Any parent or student refusing to have any or all of the designated directory information disclosed must file **WRITTEN NOTIFICATION** to this effect with the principal of the school which the student attends.

In the event a notification of refusal is not filed, Concordia R-2 School District assumes that neither a parent of a student or an eligible student objects to the release of the directory information designated.

Deanna Jurkowski,

Principal
