

Masked Reader Family Reading Night & Title I.A Annual Fall Meeting

November 13, 2026
6:00 p.m.
Concordia Elementary School

Come see who the readers will be in 2026!!

Students will start the evening listening to our guest readers, Chief Mapes and Mrs. Janis Bredehoeft and participating in a book walk. Parents will meet in the library during this time for a short informational meeting.

There will be 4 masked readers. Parents and Students will sit on the bleachers in the gym and listen to each one of the readers. Students will need to decide who they think the masked readers are. Once we have heard each reader and students have made their guesses, we will reveal the masked readers. Students with the most correct guesses will receive a prize.

Each student will get a bag of activities and books for attending.

We hope you will be able to join us and enjoy some family time; listening to stories, enjoying some refreshments, collecting resources to use at home, and finally finding out who the masked readers are!!!

RSVP: Please cut along the line and send this section back to school with one of your children or you can email jgudde@concordia.k12.mo.us with this information. This will help us know which students to prepare activities for.
